

Scientific programme

WASFA EXPO 2026 — 1st National Pharmacy Forum · 1–3 October 2026 · Rusica Park Village, Skikda

Day 1 — Oct 1 — Vision, governance & AI

TIME	SESSION	SPEAKER	TYPE	ROOM (WORKSHOPS)
08:00–09:00	Participant accreditation and welcome of delegations Welcome.	Organising committee	Break	
09:00–09:20	National anthem, presentation film and welcome address Protocol.	Dr Lazhar Kouidri	Ceremony	
09:20–10:10	Institutional addresses and scientific vision Institutional representatives and scientific vision.	Dr Mohamed Tahar Aissani	Talk	
10:10–11:30	Opening, tributes and visit of the stands Inauguration.	Forum leadership	Ceremony	
11:30–12:00	Health economics, financing and reimbursement Lecture.	Pr Abdelmalek Serrai	Talk	
11:30–12:15	Black box and informed decision-making Workshop.	Dr Mohamed Amine Himeur	Workshop	Salle A
12:00–12:30	AI, medical data and digital transformation Lecture.	Dr Mohamed Amine Himeur	Talk	
12:30–13:00	From prescribing to therapeutic follow-up: building a physician–pharmacist alliance for the patient Communication.	Dr Aissani Mohamed Tahar	Talk	
13:00–13:30	The pharmacist at the heart of action Round table — interprofessional panel.	Interprofessional panel	Talk	
13:30–14:30	Lunch, exhibition, posters and professional meetings	Organisation	Break	
14:30–15:15	Benefits, bias and responsibility of AI Panel.	Dr Mohamed Amine Himeur	Talk	
14:30–15:15	Galenic formulation: principles and demonstration Workshop.	Dr Mohamed Amine Laouar	Workshop	Salle A
15:15–15:30	Performance of AI tools applied to pharmaceutical research Communication.	Pr Wafa Soudani	Talk	
15:15–16:00	Pharmacognosy 4.0: how AI is transforming the study of medicinal plants Workshop.	Pr Wafa Sahraoui	Workshop	Salle C
15:30–15:45	Artificial intelligence in medical biology: from prescription to analytical and clinical validation Communication.	Pr Adel Gouri	Talk	
15:30–16:15	Phytotherapy and phytovigilance Workshop.	Pr Rym Mecheri	Workshop	Salle B
15:45–16:00	Are innovative therapies sustainable? The pharmacist’s role in health-economic evaluation Communication.	Pr Ali Belhachem	Talk	
16:00–16:15	New approaches in medicinal chemistry: from in silico modelling to molecular docking Communication.	Pr Derouicha Matmour	Talk	
17:30–18:15	Handwritten prescriptions and AI Workshop.	Dr Oussama Lakhlef	Workshop	Salle C

Day 2 — Oct 2 — Health sovereignty & production

TIME	SESSION	SPEAKER	TYPE	ROOM (WORKSHOPS)
08:30–09:00	Exhibition opening Welcome.	Organisation	Break	
09:00–09:30	Bioproduction, vaccines and diagnostics Lecture.	Pr Fawzi Derrar	Talk	
09:30–10:00	Chronic respiratory diseases and the role of the pharmacist Lecture.	Pr Samya Taright-Mahi	Talk	
09:30–10:15	Biological activity of a natural extract Workshop.	Speaker not yet announced	Workshop	Salle B
09:30–10:15	Simulation and virtual reality in addiction treatment Workshop.	Pr Hanene Houcine	Workshop	Salle C
10:00–12:00	Exhibition: stands, workshops, parallel communications and professional meetings	Organisation	Break	
10:00–10:45	Dose adaptation and therapeutic education Workshop.	Dr Asma Adimi	Workshop	Salle A
10:15–11:00	Quality management according to ISO 9001:2015 Workshop.	Pr Lilia Saker	Workshop	Salle A
10:30–10:45	Effectiveness of simulation and virtual reality in addiction treatment Communication.	Pr Hanene Houcine	Talk	
10:30–11:15	Sleep-related breathing disorders Workshop — SAPP.	SAPP	Workshop	Salle C
11:15–12:00	Active learning techniques Workshop.	Dr Kaouther Ardhaoui	Workshop	Salle A
11:45–12:00	Developing a therapeutic education tool for patients treated with acenocoumarol Communication.	Dr Asma Adimi	Talk	
12:00–12:15	Expertise and scientific research Communication.	Pr Nacera Siakhene Hanouni	Talk	
12:15–14:15	Friday prayer, lunch and meetings Break.	Organisation	Break	
14:15–14:45	Market access and financing of innovations Discussion.	Sector panel	Talk	
14:45–15:15	African common market for medicines Lecture.	Dr Moussa Sissoko	Talk	
15:15–16:15	Medicinal chemistry, analytical quality and biomaterials Communications — Pr Derouicha Matmour, Pr Faouzi Titel, Pr Fayçal Layachi and Pr Hamza Houamria.	Scientific panel	Talk	
15:45–16:00	Phosphate bioactive glass by Sol-Gel route: synthesis, characterisation and applications Communication.	Pr Hamza Houamria	Talk	
16:00–16:15	From molecule to algorithm: AI serving tomorrow's pharmacist Communication.	Pr Mohamed Nadjib Kaarar	Talk	
16:15–17:00	Production, quality and innovation Symposium — HCP laboratory.	HCP Laboratory	Talk	
17:00–17:30	AI serving the pharmacist; insurance and medical malpractice Communications — Pr Mohamed Nadjib Kaarar; Mr Smaali Abdelaziz.	Pr Mohamed Nadjib Kaarar	Talk	
17:30–18:00	Hospital-at-home care in Skikda HAD panel.	HAD panel	Talk	

Day 3 — Oct 3 — Prevention, data & closing

TIME	SESSION	SPEAKER	TYPE	ROOM (WORKSHOPS)
08:30–09:00	Exhibition and meetings Welcome.	Organisation	Break	
09:00–09:30	Welcome and professional meetings Exhibition.	Organisation	Break	
09:00–09:20	Real-world studies: methods, uses and contribution to decision-making Communication.	Dr Lina Aissa	Talk	
09:30–10:00	Health data and pharmacoepidemiology Lecture.	Pr Abderrazak Bouamra	Talk	
09:30–09:55	Expertise and research: from scientific evaluation to decision-making Communication.	Pr Nacera Siakhene Hanouni	Talk	
09:30–10:15	In silico servers: methodological comparison and consensus strategy Workshop.	Pr Fayçal Layachi	Workshop	Salle B
09:55–10:15	Teratogenic-risk impurities: analytical control and pharmaceutical safety Communication.	Pr Faouzi Titel	Talk	
10:00–10:30	Real-world studies; magistral preparation Communications — Dr Lina Aissa; Dr Mohamed Amine Laouar.	Dr Lina Aissa; Dr Mohamed Amine Laouar	Talk	
10:30–11:15	Break — exhibition and posters	Organisation	Break	
11:15–12:00	Pharmacist, sleep and respiratory health Panel — SAPP and sleep professionals.	SAPP	Talk	
11:15–12:00	Food supplements Workshop.	Pr Fazia Kerkoub	Workshop	Salle B
11:15–12:00	ANPHA communications Parallel session.	ANPHA	Workshop	Salle C
12:15–12:30	Pharmaceutical entrepreneurship Communication.	Dr Belmouloud Radouane	Talk	
12:30–13:30	Lunch, exhibition and professional meetings	Organisation	Break	
13:30–15:15	Prevention and proper use of medicines; surveillance and territorial priorities Round tables — Pr Bouamra and panels.	Pr Abderrazak Bouamra	Talk	
15:15–15:45	HAD pilot project in Skikda and next steps HAD panel.	HAD panel	Talk	
15:45–16:45	Young talent, posters; synthesis on AI, national production and hospital-at-home care Restitutions.	Rapporteurs	Talk	
16:45–18:00	Recommendations, awards and closing declaration Closing — Dr Mohamed Tahar Aissani, photo and press point.	Dr Mohamed Tahar Aissani	Ceremony
